## **Bentley Information Technology Systems (BITS) Appoints Issy Ramos as Director of IT**

**Warwick, R.I., (February 22, 2011)** – Bentley Information Technology Systems (BITS), an affiliate of DiSanto, Priest & Co. CPA's, is pleased to announce that Issy Ramos has joined the team as Director of IT.

As Director of Information Technology, Issy will identify, recommend, design, develop, and support cost-effective technology solutions for all aspects of our organization and the organizations we serve. He will be instrumental during the planning phase and directly involved with the coordination, and implementation of those solutions.

Issy brings over 10 years' experience as an internal MIS Manager for Griswold Corporation. He is currently an Adjunct Instructor at the New England Institute of Technology where he teaches a variety of evening courses. Issy was responsible for developing a series of courses in Digital Forensics in collaboration with the school's IT and Criminal Justice Departments.

Prior to joining Griswold Corporation, Issy was an Independent Computer Consultant for 16 years, delivering system solution services to clients. Issy received his Bachelor of Science degree in Chemistry from Hunter College in New York. He is a resident of East Greenwich, Rhode Island.
